# Saeed Teimoori

**Personal Information**

*First Name:* Saeed  
*Last Name:* Teimoori  
*Birth Date:* September 21, 1984  
*Born in:* Zabol-IRAN-Originally from Zahedan-Sistan and Baluchestan-  
*Hometown:* Zabol –Sistan and Baluchestan-IRAN.

**Contact Information**

*E-mail Addresses:* saeed.teimoori@gmail.com  
s.teimoori@uma.ac.ir  
*Tel.:* +989114295505

**Education**

*B. Sc. (2006– 2010)* Computer Science  
Sistan and Baluchestan University ,IRAN  
*M. Sc. (2010– 2013)* Computer Science  
Shahid Bahonar University of Kerman\*, IRAN

\*Thesis Topic:

“

Adopting Map-Reduce approach of cloud computing to solve the problem of job scheduling with Genetic Algorithm”-under the supervision of, Professor Masoud Javidiand Marjan Kuchaki Rafsanjan.

---

\* I graduated from top university of south east of IRAN in master science

## Academic Honors and Awards

- I got 121 (121 out of 6000) candidates to enter university in master of computer science in Iran
- I graduated from top university of south east of IRAN in master science
- Thankfulness from Sarakhs governor
- Thankfulness from one of managers at sistan and baluchestan government
- Thankfulness from Zabol Municipality

## Publication

### *Topic of articles that's under preparation for publication:*

- **Saeed Teimoori.** '[Design a new and innovative framework to deal with phishing websites based on random networks](#)'. **Journal of Novel Applied Science 2016; 5 (9):401–407.**
- **Saeed Teimoori.** '[Video encoding by using cellular automata based on chaos theory](#)'. **International Journal of Computer Applications in Technology, Under Review.**

## Presenting Papers in Conferences

- **Saeed Teimoori.** Presenting A Novel Approach to Overcome Phishing Sites by Accidental Network, First International Conference of new findings in Electrical Engineering and computer Science, September 10.2015, University of Tehran, IRAN( In Persian )

## Books

- **Saeed Teimoori.** "[Using of Cloud Computing Matter for Solving JSSP](#)", Lambert Academic Publishing (LAP) Press, Germany, Under review
- **Saeed Teimoori.** "[A Case study on video encoding via chaos theory](#)", Scholar Press Press, Germany, Under review

### Interesting

- Cloud Computing, Genetic Algorithm, Evolutionary Algorithm ,data Mining, Neural Network ,Machine learning

### Reviewer

- First International Conference of new findings in Electrical Engineering and computer Science,September 10,2015,Univesity of Tehran,IRAN.

### Skills

- **Good Experience with the following softwares:**
- C & C ++ and pascal
- SQL
- Matlab Tool Box Fuzzy
- Rational Rose & UML diagram
- Microsoft Office
- **Good Experience with the following job work :**
- Expert in hard ware and software from 2012 to 2017 in governmental office
- Lecture in a wide range of prestigious university in IRAN from 2012 to 2017
- 

### Lecture

- University of Mohaghegh Ardabili from 2015-2016 (full time)
- University of Zabol Universityfrom 2016-2017 (Part time)
- University of Islamic Azad University of Zahedan and zabol Branchfrom 2013-2016 (part time)
- University of Sistan and Baluchestan from 2013-2014 (part time)
- University of Applied Science and Technology
- Payame Noor University

### Teaching (Course)

- Design and Analysis of Algorithms
- Data Base

- Programming Language
- Artificial intelligence
- ...
