

CURRICULUM VITAE

1. PERSONAL DETAILS

Name: Joseph Thuo Karugia
Address: P. O. Box 15216-00100
Nairobi, KENYA
Nationality: Kenyan
Marital status: Married with three children
Telephone: +254 20 422 3016 (Office)
+254 20 352 6669 (Residence)
+254 733-718992 (Mobile)
E-mail: jkarugia2@hotmail.com / j.karugia@cgiar.org

2. SUMMARY OF KEY COMPETENCIES AND ACHIEVEMENTS

Corporate competencies

- Held leadership positions at: University of Nairobi (UoN) as Head of Department of Agricultural Economics; African Economic Research Consortium (AERC) as Research Manager; and currently as the Team Leader and Coordinator of the Regional Strategic Analysis and Knowledge Support System (ReSAKSS) for Eastern and Central Africa hosted by the International Livestock Research Institute (ILRI). I have gained extensive experience in strategy development, resource mobilization, developing and fostering partnerships, networking and managing networks, and building and leading teams
- High level engagement with a wide range of stakeholders (including governments, regional economic communities, African Union Commission, NEPAD Planning and Coordinating Agency, donors, NGOs, farmers organizations and private sector) involved in the Comprehensive Africa Agriculture Development Programme (CAADP) processes and other development initiatives Africa in the last four years

Knowledge management

- Deep involvement in the development of a web-based platform (www.resakss.org) as a tool for sharing and disseminating agricultural and

<i>and learning</i>	<p>rural development indicators in support of CAADP monitoring and evaluation, peer review and dialogue at national, regional, continental and international levels</p> <ul style="list-style-type: none"> • Led and/or made significant contribution to the development of different knowledge products (working papers, journal articles, conference papers, policy briefs, maps, posters, brochures, ICT-based tools, etc) for communicating research outputs with different audiences depending on their needs • Made presentations at high level policy forums in Africa and occasionally internationally on African agriculture development issues
---------------------	--

<i>Development and operational effectiveness</i>	<ul style="list-style-type: none"> • Deep understanding of agricultural and development issues in Africa, especially in the Eastern Africa region • Strong analytical skills • Published many papers on agricultural development, agricultural policy, agricultural marketing, and technology transfer in peer reviewed outlets • Ability to evaluate and anticipate the knowledge needs of different stakeholders in the policy community and meet them with appropriate knowledge products • Good communication and presentation skills
--	--

<i>Leadership and self-management</i>	<ul style="list-style-type: none"> • Strong record of delivering on agreed results • Successfully implemented performance evaluation exercises at the work place with continuous feedback to colleagues • Successfully applied evaluation results to improve my own performance and that of my team • Highly motivated, hardworking, and well organized; takes criticism positively; values teamwork; shares information with team members and motivates those supervised
---------------------------------------	---

3. EDUCATIONAL BACKGROUND

1992 - 1997 **University of Alberta, Canada.**

Doctor of Philosophy (PhD)

- Field of Specialization: Agricultural Economics

1987 - 1989 **University of Nairobi, Kenya.**

Master of Science (MSc.)

- Field of Specialization: Agricultural Economics

1984 - 1987 **University of Nairobi, Kenya.**

Bachelor of Science (BSc. – 1st Class Honours)

- Field of Specialization: Agriculture

Other Training

<i>February 2011</i>	<ul style="list-style-type: none">• Leadership and Management Training on ‘<i>Scaling up Food Security: Champions for Change</i>’ organized by AFRICA LEAD, the USAID funded African Leadership Training and Capacity Building Program, in Nairobi, Kenya
<i>July 2005</i>	<ul style="list-style-type: none">• Training Workshop on “<i>the 7 Habits of Highly Effective People.</i>” Organized by African Economic Research Consortium, in Nairobi, Kenya.
<i>Jun-Jul. 2003</i>	<ul style="list-style-type: none">• Successfully completed a three-week course entitled “Agricultural, Food and Environmental Policy” at the Danish Agricultural University, KVL, Denmark.
<i>Sep-Oct. 1998</i>	<ul style="list-style-type: none">• Successfully completed a two-week course on “Training of Trainers in Proposal Writing” organised by the Eastern and Central Africa Programme for Agricultural Policy Analysis (ECAPAPA) held in Nairobi, Kenya.
<i>Various dates 2004 - 2012</i>	<ul style="list-style-type: none">• Team building seminars• Development of performance management systems• Strategy development seminars

4. WORK EXPERIENCE

4.1 Current employer

Mar 2008 International Livestock Research Institute (ILRI)

to-date **Position: Team Leader and Coordinator, *Regional Strategic Analysis and Knowledge Support System (ReSAKSS) for East and Central Africa***

Key Responsibilities:

ReSAKSS is an Africa-wide network that provides analysis, data, and tools to promote evidence-based decision making, improve awareness of the role of agriculture for development in Africa, fill knowledge gaps, promote dialogue and facilitate the benchmarking and review processes associated with the AU/NEPAD’s Comprehensive Africa Agriculture Development Program (CAADP) and other

regional agricultural development initiatives in Africa. As the Coordinator of the Eastern and Central African (ECA) node which is set up to serve the Common Market for Eastern and Southern Africa (COMESA) region I:

- Provide leadership and coordination of analytical work based on regional priorities, in partnership with regional stakeholders, including AU Commission, NPCA, COMESA, ASARECA, East African Community (EAC), international, regional, and national researchers, and development partners. The ReSAKSS-ECA team has produced reports and papers for use by AUC/NPCA, COMESA, EAC, agricultural sector ministries, donors, and private sector organizations.
- Provide leadership and support the development of a demand-driven knowledge management system, supported by a monitoring and evaluation system and a web-based platform (www.resakss.org) to share data and analysis, in collaboration with ReSAKSS nodes in Southern and Western Africa as well ReSAKSS-Africa wide node based at the International Food Policy Research Institute (IFPRI)
- Develop opportunities for strengthening analytical capacity in the region through collaborative research and analysis, and targeted training of policy analysts and researchers from government ministries, national research institutes and universities
- Develop and maintain networks and partnerships with development partners, other ReSAKSS nodes, agricultural research for development (AR4D) organizations at national, regional and international levels
- Lead the development of proposals for resource mobilization and funding of the ECA node and collaborate with other ReSAKSS nodes to fundraise for the entire ReSAKSS network.

4.2 Previous employment

Jan. 2004 to African Economic Research Consortium

Feb. 2008 **Position: Research Manager**

Key Responsibilities:

- Management of the Research Programme and ensure delivery of defined results, including speedy completion of quality research projects and publication of research papers
- Support the Director of Research in all aspects of the intellectual leadership, strategic direction and management of the research programme
- Review new research proposals; prepare documentation and assist in obtaining funding for the projects
- Support the Director of Research in the formulation of new collaborative research projects
- Review final research papers for publication in AERC's Research Paper Series.
- Monitor progress of research proposals and projects, collaborative research projects and other research modalities according to defined criteria
- Provide liaison with researchers and monitor their progress according to agreed criteria
- Coordinate the programmatic component of the annual Senior Policy Seminars which attract participation of high level policy makers in Africa and beyond

Sep 1991 to University of Nairobi, Department of Agricultural Economics

Feb 2008 **Positions held: Assistant Lecturer, Lecturer and Senior Lecturer**

Key responsibilities:

- Head of Department: June 2002 –December 2003
- Teaching: undergraduate and graduate courses
- Supervision of graduate students: Three PhD and 20 MSc theses completed
- Internal Examiner: MSc and PhD theses.

Other Responsibilities:

- Examinations Coordinator in the Department
- Member of various Faculty and Department Committees
- Representing the Faculty of Agriculture in various College and University committees.

- Oct – Dec. 2002 and Jun-Aug. 2003* International Centre for Research in Arid and Semi-Arid Tropics (ICRISAT)
Position: Visiting Scientist
Key Responsibilities:
- Preparing Priority setting guidelines for ICRISAT programmes
 - Ex-ante impact assessment of biotechnology research on groundnuts in Malawi.
- Jul. - Sep 1987 and Jan. 1990 - Oct. 1991* University of Nairobi, Department of Agricultural Economics
Position: Graduate Assistant
- **Responsibilities:** Teaching and Research

4.3 Consultancy Experience

- May 2005* • **Swedish International Development Agency:** Consultancy to distil key messages for SIDA during the IFPRI Eastern Africa Food Policy Network Conference held at Imperial Resort Beach Hotel, Entebbe Uganda on May 2-3, 2005
- March 2003* • **United Nations Development Programme (UNDP):** Consultancy to facilitate the Kenya Private Sector Association’s Conference on Agricultural Sector Investment Priorities
- Jul-Aug. 2002* • **Africa Economic Research Consortium (AERC), Joint Facility for Electives:** Consultancy to teach Agricultural Economics to students from Anglo-phone African Universities enrolled in AERC’s Collaborative MA Programme.
- Jun-Dec. 2002* • **International Livestock Research Institute (ILRI).** Retained as a consultant to develop a conceptual framework for analysing the benefits of livestock crossbreeding programmes in Sub-Saharan Africa.
- Sep-Dec. 2001* • **Africa Economic Research Consortium (AERC), Joint Facility for Electives:** Consultancy to review the ‘Manual on teaching Agricultural Economics at graduate level in sub-Saharan Africa’.
- Jul-Aug. 2001* • **Africa Economic Research Consortium (AERC), Joint Facility for Electives:** Consultancy to teach Agricultural Economics to students from Anglo-phone African Universities enrolled in AERC’s Collaborative MA Programme.
- Mar. 2001* • **2020 Vision Network for East Africa of the International Food Policy Research Institute (IFPRI).** Resource Person, Training Workshop on Proposal Writing for Policy Research.

- Jul-Aug. 2000* • **Africa Economic Research Consortium (AERC), Joint Facility for Electives:** Consultancy to teach Agricultural Economics to students from Anglo-phone African Universities enrolled in AERC’s Collaborative MA Programme.
- Jun-Aug. 1998* • **Africa Economic Research Consortium (AERC), Joint Facility for Electives:** Consultancy to teach Agricultural Economics to students from Anglo-phone African Universities enrolled in AERC’s Collaborative MA Programme.
- Sep-Nov. 1997* • **Carl Bro International** “Roads 2000: Economic Appraisal” on behalf of the World Bank. The objective of this consultancy was to quantify the economic benefits of the Roads 2000 Project in Baringo, Koibatek, Kisii, Gucha, and Nyandarua districts.

5. PUBLICATIONS

5.1 Book

1. [ASARECA] Association for Strengthening Agricultural Research in Eastern and Central Africa. 2008. *Responding to the food price crisis in Eastern and Southern Africa: Policy options for national and regional action*. ASARECA, Entebbe.

6. ATTENDANCE TO INTERNATIONAL AND NATIONAL WORKSHOPS, SEMINARS AND CONFERENCES

Attended and presented papers at several international and national workshops, seminars and conferences such as those organized by African Union Commission (AUC), New Partnership for Africa's Development (NEPAD) Planning and Coordinating Agency (NPCA), Common Market for East and Southern Africa (COMESA), East African Community (EAC), United States Agency for International Development (USAID), International Association of Agricultural Economists (IAAE), African Association of Agricultural Economists (AAAE), American Agricultural Economics Association (AAEA), Canadian Agricultural Economics Association, International Livestock Research Institute (ILRI), International Food Policy Research Institute (IFPRI), International Centre for Research in Semi-Arid Tropics (ICRISAT), Alliance for a Green Revolution in Africa (AGRA), African Rural Policy Analysis Network (ARPAN), Department of Agricultural Economics of the University of Nairobi, Institute of Policy Analysis and Research

(IPAR), Kenya Institute for Public Policy Research and Analysis (KIPPRA), the Tegemeo Institute of Egerton University, FORUM on Agricultural Husbandry of the Rockefeller Foundation, African Economic Research Consortium (AERC), Farm-Africa, and several other high level seminars.

7. AWARDS, SCHOLARSHIPS AND ACADEMIC ACHIEVEMENTS

1996	Nominated and awarded the M. H. Hawkins Graduate Research Scholarship Award of the University of Alberta for outstanding research.
1992	Kenya-Canada General Training Program award to pursue a Ph.D program at the University of Alberta, Canada.
1988	Nominated and awarded the Nindh-Smarak Award for being the best graduating student in the Faculty of Agriculture at the University of Nairobi in 1987.
1987	Awarded a DAAD scholarship to pursue an M.Sc. programme at the University of Nairobi, Kenya.

8. MEMBERSHIP TO PROFESSIONAL ASSOCIATIONS

2007-	Member, African Association of Agricultural Economists (AAAE).
2003 -	Member, International Association of Agricultural Economists (IAAE).
2002 to 2006	Member, Organization for Social Science Research in Eastern Africa (OSSREA)
1997 to 2001	Member, International Association of Agricultural Economists (IAAE).
1997 to 2000	Member, Nairobi Social Scientists Cluster.
1993-1994	Member, American Agricultural Economics Association (AAEA)
1991-1993	Member, International Association of Agricultural Economists (IAAE).

9. COMPUTING SKILLS

Econometrics/ Statistical Packages SHAZAM, LIMDEP, SPSS, MICROFIT, and STATA

Spreadsheets Lotus 1-2-3 and Microsoft Excel

Word Processing: WordPerfect and Microsoft Word

10. LANGUAGE SKILLS

	Written	Spoken
English	<i>Excellent</i>	<i>Excellent</i>
Kiswahili	<i>Very Good</i>	<i>Very good</i>
